

FIND **NEARBY MASJIDS** AND STAY UPDATED WITH **PRAYER TIMES**

Overview:

Salaati is an application designed to help users locate nearby masjids, access accurate prayer times, and personalize their experience by setting preferences such as favorite masjids and notifications.

User Journey

Discover Nearby Masjids

- Open the app and instantly view nearby masjids based on location.
- Use filters to refine the search results.
- View masjids on an interactive map.

Access Prayer Times

- View current and upcoming prayer times for nearby masjids.
- Get notified when prayer times are updated.

Personalize the Experience

- Set a home masjid for quick access.
- Mark favorite masjids.
- Toggle notification settings based on preferences.

Additional Features

- Find Qibla direction easily.
- Stay informed about monthly Islamic events.
- Report incorrect masjid information to ensure accuracy.
